Whether you're looking for academic enrichment for your child or simply a place where they can go to have fun, explore interests, and make new friends, Indy Summer Youth Programs has nearly 200 unique summer programs designed to fit almost any need.

Summer is the perfect time to meet and make new friends. Indy Summer Youth Programs are designed to help students broaden their friendships, increase self-esteem, and enjoy fun learning opportunities. Your child can gain the lifelong tools they need to become successful learners and future leaders.

Many programs provide healthy meals and snacks, and free and low-cost enrollment options are available. Indy Summer Youth Programs are available for youth ages 4-22, with full- and half- day program options.

Throughout the pandemic, summer programs have pivoted their services to meet the needs of Marion County youth and families. They are adapting and innovating to ensure children and their families can access safe, high-quality summer learning opportunities with enriching academics, social-emotional support, caring mentors and trained educators, healthy meals, physical activities, and opportunities to explore careers and gain workforce skills.

Summer learning programs are more important than ever. Find the right summer program for your child at indysummerprograms.org.
