Unlock Greater Possibilities

Dive deeper into AfterSchool HQ's arsenal of features, designed to supercharge your after-school program's potential.

Share activities in one place

Get more sign-ups by showcasing all your activities in one easy-to-navigate location.

Access rosters for all activities

Stay organized and informed with accessible, up-to-date rosters, right at your fingertips.

Attendance Tracking

Ensure every child is accounted for with our straightforward, digital attendance system.

Easy Reporting & Data Sharing

Access comprehensive reports, offering a clear picture of your program's performance.

Permission Slips & Field Trips

Parents can sign permission slips and learn about field trips in the same place they register for activities.

Volunteer Management

Track and verify volunteers by utilizing our integrated background check partners.

Check In & Check Out

Verify student pick up and drop off is done by the right person with check in and check out.

Custom Registration Forms

Ask the questions you want answers to by creating custom registration forms for your various activities.

Customizable Profile Page

With this feature, individuals can shape their profiles to reflect their unique style, personality, or brand identity.

Automated Waiting List

Registrations over the seat limit go to a waiting list, ensuring interested students are accounted for if a spot opens up.

Auto-Shutdown Registration

By using enrollment periods, you can automatically set a time for registration to close.

Student Registration

Allow students over 13 to sign up for their own activities, and choose whether they need parental consent to do so.

Student Features

Effortlessly manage student information with individual notes, student CRM, and streamlined rosters.

Accept Payments with Stripe

Don't fret over keeping track of cash and checks by collecting payments with Stripe.

User Access Control

Give each team member their unique superpowers! From admin to program manager, instructor, and treasurer, everyone has their special role!

Team Harmony

Seamlessly maintain and organize your team member accounts, ensuring smooth collaboration.

## Afterschool HQ Implementation Services

Embarking on change can be daunting, but with our new Autopilot offering, you can initiate your digital transformation **in just 5 days**. Let our **dedicated team handle the technical details**, from setup to enrollments, data collection, and generating impactful reports. This frees you up to focus on what truly matters.

Dive in without navigating complex training. Concentrate on enriching the lives of the kids while we manage the technicalities from initial setup to ongoing management.
